

Doug Green

5760 Royale Court - Cumming, Georgia 30040
(770) 335-7693 greendoug74@yahoo.com

Career Goal

To obtain a position in the illustration or graphic design field where I can utilize my artistic abilities and my knowledge of computer design programs.

Design Skills and Accomplishments

- Acquired a thorough knowledge of design elements, principles, and other communicative aspects of design as well as knowledge of what is required to satisfy the needs of customers and clients.
- Created multiple detailed poster, book, thematic, and sequential illustrations for school projects.
- Designed several logos and identity package components for fictional clients.
- Created multiple designs for promotional materials such as brochures and P.O.P. displays.
- Created four magazine article layouts and two book layouts with accompanying graphics.
- Developed and implemented unique visual concepts for magazine advertisements.
- Designed Web page mock-ups for educational, travel, and retail related organizations.

Business Skills

- Provided training and instruction to new hires on departmental processes and company policies.
- Managed a small operational department at last full-time place of employment; solely performed first stage of materials processing.
- Served as group leader for five small group school projects.

Computer and Software Skills

- Acquired over three years of experience and proficiency at working with Adobe Illustrator, Photoshop, InDesign, and Acrobat.
- Developed proficiency in Microsoft Word and PowerPoint by completing numerous written and design projects including PowerPoint revisions for a business consulting firm.
- Acquired a proficient knowledge of computer file saving formats and file sharing methods.
